

Dear Sir/ Madam

My name is Jita Thumeka I am honoured to be the person who got this great opportunity. I want to thank Liberty Liquor for the bursary they offered that they will be funding my studies. Every bad thought changed after receiving this great news. I now see a bright future I am willing to work for. The liberty liquor also contributed in economy of South Africa by contributing a large amount to country's fiscus and the increase of employment

Also grab this opportunity to thank Inyosi Enterprise for this chance. It has supported entrepreneurs since its inception, most whom come from previous disadvantaged groups

They managed to include more loan beneficiaries which they are Businesses that deliver internet and training marginalized communities.

Thousands of students have trained and received financial and leashed IT hardware. It also support employment and thousands jobs.

Lastly I want thank Silulo Ulutho Technologies for this opportunity. As it always dies great work by providing people with computer skills.

Creates job opportunity which decreases the unemployment rate of the country

It encourages entrepreneurs in black community. It brings information technology to the doorstep of marginalized community

Yours Faithful

Jita Thumeka
